

The Voice of the 1031 Industry

**FEDERATION OF EXCHANGE ACCOMMODATORS MOVES NATIONAL HEADQUARTERS
TO ASSOCIATION MANAGEMENT, LTD.**

Ankeny, Iowa – Association Management, Ltd. (AML) is pleased to announce the firm is now providing full-service association management services for the Federation of Exchange Accommodators (FEA).

FEA is the only national trade association organized to represent professionals who conduct like-kind exchanges under Internal Revenue Code §1031. Members include Qualified Intermediaries, their primary tax and legal counsel, and affiliated industries (TIC sponsors, banks, real estate brokers, title companies, settlement/escrow agents, etc.).

“Actually, we began our contractual agreement for FEA management services with AML on April 1, 2013. Already we appreciate the experience and attention to member services that our AML staff team brings to FEA,” said FEA President and Certified Exchange Specialist (CES®) David Brown. “Lynn Harkin, our new executive director, is a Certified Association Executive (CAE) with 12 years of experience with AML and their association clients. FEA is just a great fit as a national trade association client for AML.”

According to AML President Molly Lopez, CAE, “Theirs is a very interesting industry with committed, volunteer-elected leaders and their Certified Exchange Specialist program is respected industry-wide. There is also value to FEA with our structural model as AML is a Division of ISA Management Solutions, Inc. (ISAMS), a wholly owned subsidiary of the Iowa Soybean Association.”

Since 1976 Association Management, Ltd. has provided leadership and quality professional management services for non-profit trade associations and professional societies through experienced staff and demonstrated best practices. As an AMC Institute internationally accredited firm, AML continues to successfully to provide solutions that unleash the potential of our clients’ organizations, members and leaders.
