

FORBES RANKS DES MOINES AS NUMBER ONE FOR “BEST PLACE FOR BUSINESS AND CAREERS”

Des Moines has grabbed the top spot this year from *Forbes* for best place for business and careers after ranking seventh last year. This recent ranking comes after *MarketWatch* gave Des Moines the #1 title for best city in the nation for doing business last December.

Greater Des Moines has seen many top ten rankings in the past year for quality of life, economic development, real estate and cost of doing business. Currently Des Moines ranks first in the nation for real estate as the “Most Livable Bargain Market”, #2 for “Most Secure U.S. Places to Live” and is in the top ten for mid-sized metro areas as “Best Places to Launch a Small Business.”
