DES MOINES BASED INTERNATIONAL SMALL BUSINESS CELEBRATES LONGEVITY OF EMPLOYEES

DES MOINES, Iowa – Association Management, Ltd. (AML) is celebrating the anniversaries of three long-time employees.

Darcy Watson, CAE, Technology Director: 20-years; Kelly Kipping, Administrative Director: 15-years; and Heather Tamminga, CAE, Account Executive/Marketing Director: 5-years.

“We are blessed with a great staff team. As a business owner I never take for granted how fortunate our firm is to maintain long-time employees. For a 34-year old association management company to have this kind of longevity demonstrates that we have the right people on the bus, in the right positions, so to speak. They really enjoy what they do, and this is demonstrated with our association clients,” says Molly Lopez, CAE, AML Owner/President.

Founded in 1976, AML is a full-service, internationally accredited (one of only 50+ accredited firms worldwide) Association Management Company. The firm provides management and outsourcing solutions for nine international, national, regional, state and local trade associations and professional societies who represent 5,000+ individual members and 500+ company members in 57 countries. *AML manages the business of associations so volunteer elected leaders can achieve the organization’s mission and vision.*
