MOLLY LOPEZ, CAE, APPOINTED VICE CHAIR OF AMERICAN SOCIETY OF ASSOCIATION EXECUTIVES AMC SECTION COUNCIL

Des Moines, IA (September 18, 2010) — Molly A. Lopez, CAE, President/Owner of Association Management, Ltd. (AML), a Des Moines based international Association Management Company (AMC), has been appointed as Vice Chair of the national AMC Section Council for the ASAE and The Center for 2010 – 2011. She will serve a one-year term as Vice Chair and move into the Chair position in 2011 – 2012.

ASAE and The Center serve approximately 10,000 associations that represent more than 287 million people and organizations worldwide. ASAE has 13 professional interest sections, providing a community for nearly every sub-specialty within association management. The AMC Section Council represents the 4,000+ principals and staff of association management companies within ASAE and The Center.

Positions on this council are offered to leaders in association management representing the nation's top association management companies. The section council provides resources for association professionals that include timely association research, a listserv, education, e-newsletters and the *Guide to AMCs* (a tool for volunteer leaders and paid executive staff to find management and outsourcing solutions for their associations).

Founded in 1976, AML is a full-service, internationally accredited (one of only 50+ accredited firms worldwide) Association Management Company. The firm provides management and outsourcing solutions for nine international, national, regional, state and local trade associations and professional societies who represent 5,000+ individual members and 500+ company members in 57 countries. AML manages the business of associations so volunteer elected leaders can achieve the organization's mission and vision.
