### **SCHMITZ EARNS PROMOTION AT IOWA SOYBEAN ASSOCIATION, ASSOCIATION MANAGEMENT, LTD.**

**Ankeny, Iowa** – Kailah Schmitz of the Iowa Soybean Association (ISA) has been promoted to account executive for Association Management, Ltd. (AML), a division of ISA Management Solutions, Inc.

Schmitz joined the AML team in 2015 as an administrative assistant, providing member services, office operations, social media management, conference services and administrative support for the AML team and 10 state, national and international association clients.

As account executive, Schmitz serves as Associate Director for the Iowa Chiropractic Society and Associate Director for the National Association of Sporting Goods Wholesalers. Her role has expanded to also include board and committee management, strategic visioning and marketing and communications efforts.

“I am excited about the opportunity to further expand my career within the Iowa Soybean Association’s AML division,” Schmitz said. “I enjoy working with volunteer leaders and members who invest their time, money and talent in associations to advance their industries and increase their own professional development. I’ve seen firsthand how associations create positive change and it is great to be a part of that momentum.”

Schmitz resides in Roland with her husband and daughter. Together, they enjoy being outdoors and spending time with family.

*The Iowa Soybean Association ([www.iasoybeans.com](http://www.iasoybeans.com)) develops policies and programs that help Iowa’s more than 40,000 soybean farmers expand profit opportunities while promoting environmentally sensitive production using the soybean checkoff and other resources. The association was founded in 1964 and is governed by an elected volunteer board of 22 farmers. It strives to be honest and transparent, fact-based and data driven and committed to environmental stewardship, collaborations and partnerships.*
