KRISTEN DEARDEN JOINS IOWA SOYBEAN ASSOCIATION, ASSOCIATION MANAGEMENT, LTD.

Ankeny, Iowa – Kristen Dearden has joined the Iowa Soybean Association (ISA) as a meeting planner for Association Management, Ltd. (AML), a division of ISA Management Solutions, Inc.

Dearden is a meeting planning professional with 26 years of experience with professional associations and healthcare organizations. In her role, she will help lead several of AML’s client associations’ state conferences, conventions, trade shows and seminars efforts. Her role will continue to expand with AML association clients.

“I am very excited to be a part of the Iowa Soybean Association’s AML division,” Dearden said. “I love working with associations and their volunteer members, and with the diverse client base of associations at AML, I’ll be able to put into practice and expand my skills to help each of them advance their professions. Meeting planning contributes to these associations by bringing education, information, innovation, new ideas and potential business to their members and conference attendees.”

The Iowa Soybean Association (www.iasoybeans.com) develops policies and programs that help Iowa’s more than 38,000 soybean farmers expand profit opportunities while promoting environmentally sensitive production using the soybean checkoff and other resources. The association was founded in 1964 and is governed by an elected volunteer board of 22 farmers. It strives to be honest and transparent, fact-based and data driven and committed to environmental stewardship, collaborations and partnerships.
